NEWS -- Office of Supervisor Mike Antonovich

For release May 21, subject to Board approval of Agenda Item 55

CATCH BASINS TO BE CLEANED

Los Angeles County Supervisor Mike Antonovich announced Board approval of a \$121,099 contract with Fernando's Cleaning Company, of Los Angeles, for the cleaning of approximately 10,100 street drains at various locations in the Eastern Maintenance Area of the County, including in the Cities of Sierra Madre and Alhambra.

The work is part of an annual project undertaken by the County to clean all drains in the flood control system prior to the start of the winter storm season.

The Los Angeles County Department of Public Works received four bids on the project, the highest bid being \$246,440.

The project is expected to take 60 working days, starting in June and ending in September.
